## WARRANTY CONDITIONS:

ABL warrants this product as free of defects in material, design, and workmanship for the period of twenty-four (24) months from the original date of receipt of the product, unless applicable national laws stipulate otherwise. If during the period of warranty this product proves defective under normal use and service you should return the product to the retailer from whom it was originally purchased. The liability of the ABL is limited to the cost of repair and/or replacement of the unit under warranty. The warranty is void if a failure occurs due to the following reasons:

- Improper device installation
- Improper handling
- Improper transport
- Force majeure

**WARNING: Do not use this product for any other purpose other than which it was designed for.**

## MAINTENANCE:

Do not open, disassemble, change, or modify the device. Every unauthorized opening or repairing of the device leads to loss of warranty. During device usage, you need to follow basic safety measures. Since safety requirements vary, please check with local laws.
