AVTEQ®

Cisco® Webex Solutions

Furniture designed to enhance
the interactive experience

Innovative design for ultimate collaboration.

The Cisco® Webex Board seamlessly integrates with AVTEQ's mobile carts, floor and wall-mounted stands and display mounts for the ultimate interactive experience. Our solutions enhance your collaborative workspace within the office, classroom or other team environments.
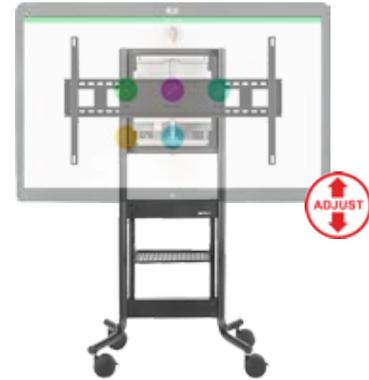

MOBILE & HEIGHT ADJUSTABLE CART SOLUTIONS

Enhance your Webex experience by creating a truly interactive environment for your teams. AVTEQ offers mobile display carts that provide the style, stability and adjustable height to create a truly collaborative space.

RPS-500

The RPS-500 mobile cart is an ideal solution for large displays and provides the stability required for maximum mobility.

DynamiQ™ RPS-500

The height adjustable DynamiQ RPS-500 uses a spring-weighted mount, which allows the Cisco® Webex Board to easily glide up and down with a feather-light touch.

DynamiQ™ Executive Cart

The height adjustable DynamiQ Executive Cart provides a motorized mount, powered by an electric lift, to raise and lower a single display. The front panel is available in three standard finishes or customized from a large selection of laminate or veneer finishes.

RPX

The RPX mobile cart offers a slim profile, which allows for plenty of unobstructed access to the workable surface of the Webex Board making it perfect for interactive learning centers and collaborative work spaces.

DynamiQ™ Executive Wall Stand

The DynamiQ™ Executive Wall Stand provides sleek style with motorized, height-adjustable functionality. The wall-mounted stand is ideal for corporate offices and educational environments. The front panel is available in three standard finishes or customized from a large selection of laminate or veneer finishes.

HEIGHT ADJUSTABLE WALL-MOUNTED STANDS

A truly collaborative space provides an environment for all participants to easily interact. Our DynamiQ height adjustable solutions are ADA compliant and provide maximum accessibility to the Cisco® Webex Board.

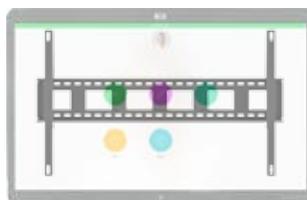

DynamiQ™ Wall Stand

The height adjustable DynamiQ™ Wall Stand provides a spring-weight mount, which allows the Cisco® Webex Board to easily glide up and down with a feather-light touch. The wall-mounted stand offers the stability and accessibility for collaborative workspaces, and offers storage within a lockable front-access door.
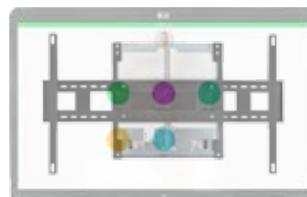

WEBEX BOARD & ROOM KIT MOUNTING SOLUTIONS

Our mounting solutions are designed specifically to expand the Cisco® Webex experience and provide mounting options to meet your needs. All mounts are compatible with AVTEQ products.

Cisco® Webex Board Mounting Kit

The mounting kit easily installs on the wall, or it can replace the universal display mount on any AVTEQ mobile cart, floor stand or credenza.

DynamiQ™ 400 Wall Mount

The height adjustable wall mount supports the Cisco® Webex Board with a spring-weighted mount provides effortless vertical movement with a simple touch.

Room Kit, Room Kit Plus & Mini Mounts

Room Kit Mounts are designed specifically to install any Cisco® Webex Room Kit product on AVTEQ's display mounts, mobile display carts and wall-mounted stands. These custom mounts make it easy to position the Room Kit, Room Kit Plus or Room Kit Mini above or below a display. Bundle option provides UM-1 universal display mount.
