TBUS-203xl

Pop-Up Table Mount Multi-Connection Solution

The TBUS-203xl is a furniture-mounted pop-up connection bus that is easily installed into a table or podium top. The TBUS-203xl interface enables you to connect any equipment to systems installed in a room via five single inserts or two dual inserts and one single insert

FEATURES

Pneumatic Lift - Easy opening & closing by pressing down gently on the cover. When not in use, it lowers flush with the table

Power Input - Universal, USA, European and many other worldwide power sockets available

Elegant and Rugged Rectangular Design - The sturdy and attractive anodized aluminum enclosure provides maximum connectivity in the smallest possible footprint, and at the same time is cost effective and easy to install

Installation - Requires tools and expertise to cut a 21.2cm x 12.2cm (8.4" x 4.8") rectangular hole in the surface of the furniture. Maximum table thickness is 7.6cm (3")

Note - The power socket module is not included. Purchase the country-specific module separately
