

KAC-BAR-81

Collaboration Bar

The Kramer/AudioCodes KAC-BAR-81 Collaboration Bar transforms the way you meet with its plug-and-play, user-friendly design. As a top-tier Microsoft Teams Rooms on Android video bar, it guarantees a seamless and highly productive Teams meeting experience.

With its built-in speakers and six microphones, along with Full HD video and an electronic pan, tilt, and zoom camera featuring 5x zoom, the KAC-BAR-81 delivers crystal-clear images and superior voice quality. Every meeting becomes more interactive and engaging, ensuring remote participants are fully involved, seeing and hearing everything as if they were right there in the room, and fully participating in Teams video and content sharing.

Pair it with the Kramer/AudioCodes KAC-TCH-10, a sleek and intuitive touch controller, to effortlessly manage meetings in any room setup. This combination ensures optimal control and a streamlined meeting experience

FEATURES

- Seamlessly transition into meetings with the intuitive Microsoft Teams Rooms on Android application, ensuring a smooth and straightforward start with just one click
- Elevate your meeting space with the stylish and sophisticated design of the KAC-BAR-81, which blends elegance and functionality
- Set up with ease every time, thanks to the KAC-BAR-81's simple-to-use mounting and minimal cable connections, streamlining your deployment
- Experience superior audio that covers the entire room, making additional external USB microphones or speakers unnecessary for clear communication
- Manage your meetings with ease using the dedicated Bluetooth remote control, designed for intuitive operation and streamlined meeting control
- Utilize the KAC-BAR-81in Peripheral Mode as a versatile USB A/V peripheral, adaptable for use with any UC client for spontaneous meeting needs
- Simplify the management of your meeting equipment from anywhere, enhancing the meeting experience with centralized device control and monitoring
